

Allura™ Lighting System

Creating Fascinating and Attracting Retail Environments

The ambient glow of the canopy Allura lights increases visibility and promotes products, contributing to an alluring environment. Elegant looks.

Allura delivers everything you expect and performs beautifully and stylishly in any retail space. You can be sure this highly versatile and expandable lighting solution will deliver quality and performance.

A great solution for standard 3' or 4' wide gondolas.

- You'll need fewer lighting points, thanks to the efficiency and uniformity of cylinder luminance distribution with a TL5 lamp capacity, expandable to 10 lamps of a single power supply.
- Cylinder Canopy can be utilized as a promotional display.
- Lamp can be adjusted at various angles and heights.
- High performance, polycarbonate construction with removable end caps for easy lamp access.

Allura™ Gondola Light Kit

- Arms mount to gondola uprights. Arm angle can be adjusted with spring loaded mechanism.
- Extend or retract arm sleeves to desired length.
- Light tube can rotate to adjust areas of illumination.
- Comes with white diffuser shade pre-installed. Replace with custom graphics for added promotional impact.
- Link up to ten lights in a run for continuous aisle lighting.
- Kit includes light tube with shade, 2 arms, power cord and link cords, and necessary mounting hardware.

Allura™ Undershef Light Kit

- Highlight products with Allura™ Undershef lights.
- Lights can be mounted to front or rear shelf perforations to enhance merchandise.
- 4 foot kit comes with (4) 21 Watt, 3 foot lights, (4) 12 foot power cords, (4) 2 foot linking cords, (8) under shelf mounting clips and (6) 6 inch zip ties.
- 3 foot kit comes with (4) 14 Watt, 2 foot lights, (4) 12 foot power cords, (4) 2 foot linking cords, (8) under shelf mounting clips and (6) 6 inch zip ties.
